Split Centre Holidays on the Lycian Coast & Cephalonia 7 nights in each property

Our portfolio of properties and regions, though small and specialist, is enormously varied. In order to experience a true taste of the diversity of our regions, we would strongly recommend either a Split Centre holiday (7 nights in each property, within the same country) or creating your own holiday from our Hidden Turkey Route (see online). Visiting two or more of our unusual properties and regions provides an unforgettable and totally unique experience.

Private Split Centre Transfers, Check-out & Check-in

We have given much thought to ensuring your transfer from region to region is pleasurable and easy.

All transfers are private and will be provided at a time dictated by you. The rates published below provide prices for a direct point-to-point transfer or we also provide the option of a more leisurely journey which allows you to make a feature of the day exploring the Lycian Coast in Turkey.

We shall inform you locally of the time you need to vacate your first property and when your second property will be available. You can then decide what time you would like to be collected for your Private Transfer or plan your journey if driving yourself.

Self-drive

Should the property you are leaving have a vehicle included or if you have a pre-booked car, it will be possible to drive yourself to the next property. You will need to ensure that you arrive by 18:00 at the latest to ensure that your vehicle (or another) can be collected and returned to the original property in good time for the new arrivals. A charge of £50 is applied for this service to inclusive vehicles in Turkey (not Cephalonia).

Simple split centre pricing

14 night holiday (Saturday to Saturday)
i.e. 7 nights in the Kalkan Regency and 7 nights in Dionysos

Using the original date of departure, take the 14-night price for each property, add them together and then divide by two. This creates your cost per person to which you add the published rate for a private transfer or self-drive charge between properties. Supplements will be charged as relevant to your properties of choice and additional persons costs will remain at £525.

Inclusive Items: are allotted as described in the property description relevant to the holiday duration – i.e. one complimentary gulet cruise is included within a two-week holiday for many of our properties. In this case you can decide which property to take your cruise. If an item is included several times weekly (for example trekking at Beyaz Yunus Faralya) this is additionally included.

21 Nights or More: use the formula above for the first two weeks of your holiday, add the 'Extra Week' cost for the property used in the third week and then apply the relevant private transfer or self-drive charge.

Costs for split centre holiday transfers

All transfers are private, air-conditioned and will be provided at a time dictated by you. The published rates below are per vehicle for a direct point-to-point transfer or a more leisurely journey which allows you to spend a day exploring the Lycian Coast.
