Aleyna

Activities Onboard

---

In addition to providing endless swimming opportunities Aleyna carries the following equipment onboard:

- Two windsurfers
- Two sea kayaks
- Fishing & snorkelling equipment  
(we recommend you also bring your own)

TENDER WITH 60HP OUTBOARD  
WATERSKIING & RINGOS

Additionally, and most unusually, she provides a tender with an outboard powerful enough to offer waterskiing and ringos. A small charge is made for this – payable locally.

Other water sport opportunities will arise as the week progresses, with the captain being able to meet up with various water sport schools along the way.

---

Children Onboard

---

For reasons of ambience our normal policy is that children under the age of 14 are of course welcome to join whole boat charters, but not individual cabin sales (should dates be released).

This is what makes this exclusive gulet particularly special – not only her size and onboard comfort but her wonderful sailing ability. Guest feedback since her launch – five summers ago – has been exceptional highlighting that not only is she an exceptional gulet, but perhaps more importantly, the Captain and crew take great joy in ensuring that their guests lack for nothing!

Kindly note: the best sailing routes are those itineraries that incorporate all or any of Göcek, the Greek Islands and the Bozburun Peninsula.

---

Cabins

---

The cabins are substantially larger than those normally found on gulets, with each containing a good size double bed and additional seating area. Two have a double bed and a seating area with the remaining two containing a double bed, single bed and smaller seating area. All, of course, have en suite shower and flushing WC. In addition, the decks provide a selection of areas both in and out of the shade enabling guests to luxuriate in the onboard space.

---

Food & Wine Onboard

---

We have no doubt that you will build up an appetite when gulet cruising and will appreciate the fabulous food on offer.

The emphasis is firmly on fresh, simple and hearty fare, with fresh fish being offered several times a week. Please be sure to inform us of any special dietary requirements you may have, so the crew can prepare accordingly.

---

Dining Ashore

---

Our cruises are provided on a full board basis. However, should you wish to dine ashore on any evening (payable locally) simply inform the Captain and he will make arrangements accordingly.

Whenever the gulet has been utilised for individual cabin sales the itinerary will allow for one evening to be spent in a harbour mid-week when guests will be free to eat onboard in the harbour or explore the local restaurants (payable locally).

---

Bar Service & Complimentary Water

---

Complimentary bottled water is provided on all our gulets throughout the entire day. In addition, an onboard bar service is provided, with rates that are more than reasonable and are linked to those of our onshore properties. As in a hotel, we would therefore kindly request that other drinks are not brought onboard.
