Exclusive Boutique Hotel

Exclusive Escapes

This exclusive hotel has been heavily influenced by the Moroccan Rhiads, and is secretly hidden behind thick walls.

Gates open onto an ‘oasis-like’ private paradise with spacious garden terraces tumbling down the steep hillside affording staggering sea views from every conceivable vantage point. The feeling of exclusivity and privacy is enhanced by the seven contemporary rooms with floor-to-ceiling windows and huge terraces taking full advantage of the idyllic location.

Beyaz Yunus (meaning ‘White Dolphin’) is one of Turkey’s best-reputed fish restaurants. Its reputation has been earned over many years, and results from a combination of superb cuisine and its idyllic location looking directly over the most famous beach in Turkey at Ölü Deniz. Beyaz Yunus has now been relocated to the beautiful and remote island of Kizil Ada to make way for our fabulous new and very exclusive boutique escape: Beyaz Yunus Ölü Deniz.

The ‘Beyaz Yunus’ hotels are owned by Mehmet, and they are a result of his quest to present his country in a manner never previously attempted, and to attract guests that might not have looked to Turkey for this style and quality of holiday. Mehmet is keen to create interesting and unusual concepts, and each of his properties (he currently owns three) differs significantly – but the common theme is simply to offer a truly unique environment with excellent personal service for a small number of guests.

These aims and philosophies coincide perfectly with our own, and we are both proud and delighted to feature the extraordinary Beyaz Yunus Faralya and the utterly breathtaking Beyaz Yunus Ölü Deniz exclusively within our programme.

What the Beyaz Yunus properties do have in common is their quite superb locations. The ‘safari-like’ Beyaz Yunus Faralya is set in a remote forest clearing directly on the water’s edge, while the more sophisticated Beyaz Yunus Ölü Deniz, enjoys the most glorious setting immediately above the famous beach of Ölü Deniz, with views across the bay that are amongst the best in Turkey! It is fair to say that Ölü Deniz does have a commercial feel, however our strong belief, very much backed up by guest feedback, is that this cannot detract from this stunning property and its extraordinary location.

The entrance is restricted to private key-holders only. Gates open onto an ‘oasis-like’ private paradise with spacious garden terraces tumbling down the steep hillside affording staggering sea views from every conceivable vantage point.

Steps lead around the rooms, down past various garden terraces to the glorious setting of the restaurant and bar. Another path winds past the Sauna & Massage Area and onto the swimming pool area. The decked ‘infinity’ pool and pool bar provide wonderful views across Ölü Deniz and offer yet another attractive area for guests to relax in comfort.

In fact, this boutique hotel provides considerable space for its small number of guests, the idea being to allow you the choice of relaxing in privacy, or joining fellow guests as and when desired.

The Service

Feedback from our guests for the first season was quite superb, with no praise higher than that provided for the manager, Mustafa, and his team. Truly, nothing is ever too much trouble and we cannot emphasise enough the exceptional service provided by Mustafa.

The Rooms

The feeling of exclusivity and privacy in this Exclusive Boutique Hotel is enhanced further by the seven rooms. Each room has a contemporary décor with a rustic feel and, though differing in layout, are designed to provide enormous space, comfort and privacy – both inside and out.

Floor-to-ceiling windows open onto private terraces which are almost as large as the rooms themselves, and ensure maximum impact is made of the amazing location – staggering views can be found from virtually every point of the room, including the kingsize beds!

The rooms are better described as suites, with living space provided both inside and out, and a terrace which has the feel of an alfresco sitting room – complete with outdoor jacuzzi tub and one with a private pool.

Each room provides enormous space for relaxation and includes wifi, surround-sound flat-screen TV/DVD/CD (selection provided) and a cocktail bar (your waiter will gladly prepare your cocktails, or indeed teach you some you might not know!).

Another unusual feature is that each bathroom has its own miniature Turkish Bath (Hamam).

Food & Wine

Naturally, given its history, food is intended to be an important part of the experience of staying at Beyaz Yunus Ölü Deniz. There is an emphasis on sea food, including special evenings for lobster or an open 'Fish Fire' on the terrace.

Breakfast and evening meals are included for all guests. As a sign of how welcoming and personal the service is, these meals can be enjoyed either on the restaurant terrace or served on your private terrace as you prefer. Breakfast is served late into the morning, and lunch and drinks are available throughout the day.

Obviously a property of this size cannot offer an enormous menu, but we are sure you will enjoy the variety provided throughout the week. The menu will be presented a day in advance and if there is something not suited to your tastes, simply inform the team. Likewise, please inform us prior to your departure of any special dietary requirements you may have, and menus can be planned in advance.

Dine at Beyaz Yunus Faralya

Every Tuesday afternoon residents of Beyaz Yunus Ölü Deniz and Beyaz Yunus Faralya have the opportunity to experience just how unique the ambience of each truly is. Guests can relax in the glorious surroundings prior to enjoying a special meal at Beyaz Yunus Faralya.

Guests not wishing to partake in the evening are welcome to dine at Beyaz Yunus Ölü Deniz.

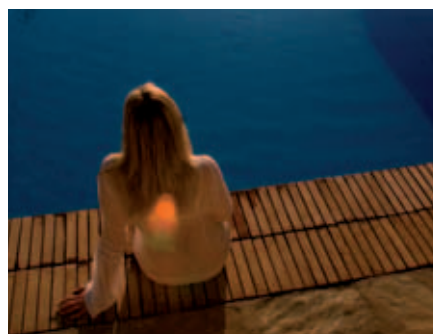

Complimentary Gulf Gulet Cruise

Each Friday we collect guests for the 15-minute drive to the port of Fethiye. A long lazy day can be spent admiring the stunning coast-line whilst luxuriating in the space not usually available on more basic day trip boats. During the course of the day the gulet slowly explores a few of the local bays, going nowhere in particular, with much of the day spent swimming and lazily enjoying the excellent lunch and afternoon tea. A splendid way to spend a day. Please refer online.

Beaches

Private steps lead down from the restaurant terrace directly onto the famous Ölü Deniz beach at the peaceful end that seems to stay quiet even in the height of summer. The walk along the beach is idyllic and leads to the National Park Lagoon – which is probably the signature image of coastal Turkey.

A 15-minute walk along the dramatic coastal road in the other direction leads to our favourite beach in the region at

Kidrak. This beautiful beach remains predominantly peaceful throughout the summer and can be enjoyed at your leisure.

Getting Out And About & Activities

Should you be able to tear yourself away from the stunning location of Beyaz Yunus, the cosmopolitan Ölü Deniz is a short 10-minute walk away and the market town of Fethiye is a 15-minute drive.

The walking directly from the property is superb, as it is located directly on The Lycian Way, renowned as one of the world's best trekking routes. In addition water sport and activity enthusiasts are well catered for. Please refer online for information on the activities and cultural sites available in the region.

The Sauna & Speciality Massage

THE SAUNA

The Sauna and Treatment rooms are set on a private terrace with fabulous views to sea. The sauna is solely for the complimentary use of guests and is opened several days a week (to coincide with the days guests are not on the Gulet, visiting Beyaz Yunus Faralya or on transfer days).

SPECIALITY MASSAGE

A variety of massage treatments are provided two or three times weekly (depending on demand). The setting is idyllic with treatments accompanied only by the sounds of the sea!
