

Çırağan Palace Kempinski
Beşiktaş, Istanbul, Turkey

This glorious property has quite rightly established a reputation as being one of the world's leading hotels. The location on the banks of the Bosphorus is unbeatable, and the concept – a renovated Ottoman Palace – equally hard to match.

The 315 rooms do place the Çırağan Palace on the large side for an *Exclusive Escapes* recommendation but we feel the aforementioned compensations speak for themselves!
