Private Villa Escapes

Exclusive Escapes

This lovely house is named after the pomegranate tree that dominates the spacious grounds. The position is truly excellent, with dramatic views across the mountains to Patara and Kalkan bay below.

The owners, Şenay and Okan, are academics, based in Istanbul, who fell in love with Islamlar and wanted to create a very special retreat for themselves well away from the bustle of life in the city. The result of their efforts is a stylish property that provides an authentic village feel without compromising on quality and comfort in any way.

Built into the hillside, the house is unique in design and takes care to maximize the impact of the wonderful scenery. The highlights are the pool area and gardens, which provide the most glorious natural setting for relaxation.

As is the case with Üzüm Evi, it is easy to dip in and out of the relatively sophisticated delights of Kalkan and the Lycian coast beyond, although for many it will be difficult to leave this peaceful and tranquil setting.

Narli Ev Layout

As the property is built into a hillside, the entrance is directly into the:

FIRST FLOOR

The front door opens into a huge master double bedroom that takes up the entire first floor of the building. This bedroom has a wood-panelled ceiling, a separate seating area and a balcony with fabulous views. A bathroom with shower and WC are also found on this level. Internal steps and an external path lead down to the:

GROUND FLOOR

A large open-plan sitting room with TV/ DVD, CD player iPod dock and a fully-fitted kitchen. Doors lead out to the terrace and spacious natural grounds. The terrace in turn leads onto the beautiful pool area complete with stone bar and seating area.

The second (twin) bedroom with en suite shower/WC is only accessible from the ground floor terrace, ensuring privacy and making Narli Ev an ideal choice for friends travelling together.

Şakir and Hülya, the owners of our nearby properties run a small café solely for our three villas in the vicinity. Snacks are available throughout the day and wonderful local produce in the evenings.
