## The White Collection Kalkan, Turkey

Enjoying the same spectacular setting as the adjacent Mahal Villas, The White Collection is of a similar high quality. The three properties, all completely private, have been influenced by Moroccan architecture and design, typified by the perfectly white, curved walls and use of striking blue fabrics and detailing. The interiors are very much in vogue, with extravagant floor-to-ceiling windows – these, together with the unusual partially-covered infinity pools make the most of the inspirational views.

Water-taxis from Hotel Villa Mahal can be taken during the day to and from Kalkan and, should you prefer not to drive in the evening, a taxi is easily arranged for the ten-minute journey.

#### POOL AREA & GARDENS

The sitting room leads out to the pool terrace furnished with sun beds and shaded by a striking blue sail. The gardens have been beautifully landscaped however the highlight is without doubt the infinity pool with its shaded 'cave' and stunning views.

A great deal of thought and imagination has gone into the creation of The White Collection with the detail a constant surprise.

Be that the care taken to ensure maximum advantage is taken of the stunning location with glorious views from every vantage point inside and out. The constant links with the sea typified by the blue canvas 'sails' which shade your pool terrace. The magnificent gardens overflowing with bougainvillea. Or the unique concept of the infinity pools with 'pool caves' - which are partially covered seating areas where you can relax in the shaded waters of the pool, listening to music (provided through

the sound system concealed in the cave roof) whilst watching the ever-changing seascapes below.

Perhaps the final touch to this wonderfully contemporary property is the lighting, which creates an evocative, almost theatrical setting.

Using the contours of the hillside the property has been designed to ensure each villa is completely independent affording complete privacy. They also provide the flexibility to take villas in conjunction with each other, making The White Collection an ideal choice not only for couples, but also for larger parties wishing to enjoy
