Villa Sevdam  
Sögüt, the Bozburun  
Peninsula, Turkey

Set right on the water's edge in Sögüt, Villa Sevdam enjoys fantastic views from every aspect across the water to the Greek island of Symi. The spectacular pool gives the illusion of swimming in the sea itself, and the terrace area provides the perfect vantage point from which to watch the sun go down.

Private Villa Escape

Exclusive Escapes

Villa Sevdam is set quite literally on the water's edge in Sögüt, providing the most marvelous views across the water to the Greek island of Symi. It is impossible to avoid those stunning sea views, wherever you are in the villa.

The highlight is the pool and terrace area. When in the pool it feels as if you are in the sea itself, with the pool terrace providing a glorious vantage point from which to watch the sunset before enjoying a local meal alfresco.

We say 'local' as, if you require, the service includes the opportunity to have the local restaurant prepare and serve breakfast and an evening meal in situ (payable locally). As if all of this were not enough, Villa Sevdam shares a jetty with the adjacent Villa Ruyam (see online), complete with its own two-seater kayak to allow you to explore the bay – bliss!

The perfect escape.

#### The Sögüt Complimentary Fishing Boat Private Cruise

Sunday to Friday (subject to availability)

---

We are delighted to offer this complimentary private sailing for each of our villas in Sögüt and Selimye each week of your stay. A long, lazy day at sea is spent in the company of Captain Mutlu and his charming wife exploring the inlets of the peninsula from Sögüt. A delicious lunch of barbecued fish is provided with soft drinks. Other drinks may be bought onboard (paid for locally).

The Site of Loryma – The historic site of Loryma is located in a beautiful bay which is accessible only by sea. The day involves exploring further afield and for this reason a charge is made for this itinerary which is payable locally to Captain Mutlu.

The rate is 200-250TL (dependent on fuel costs at the time of sailing). Should you choose this alternative simply inform Verda, your Exclusive Assistant in situ.

Please note that for logistical reasons the cruises may occasionally be unable to depart. Though we shall endeavour to provide a replacement day we are unable to guarantee one. In this case the complimentary cruises have no monetary value.
